# Minimally Invasive Atrial Fibrillation Summit

For Cardiologists, cardiac surgeons and medical professionals

**When?** Friday, January 16, 2026  
from 8.20 AM to 3 PM

**Where?** Stadtspital Zürich Triemli  
Conference Center

With support from

**Stiftung  
Stadtspital  
Zürich**

**Allianz  
Herzchirurgie  
Zürich**

# Invitation

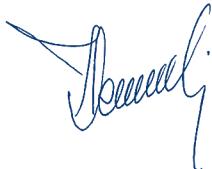

Dear Colleagues

It is my great pleasure to invite you to the Second Zurich Minimally Invasive AF Summit, which will take place on **Friday, January 16, 2026**, at Stadtspital Zürich.

Following the success of our first meeting, this year's summit will once again bring together leading experts in cardiac surgery and electrophysiology to exchange ideas, share innovations, and discuss the latest advances in the field of minimally invasive atrial fibrillation treatment. Your active participation will be key to deepening our collective knowledge and fostering collaboration across specialties. We look forward to lively discussions, new perspectives, meaningful interactions that continue to move our field forward and to a **special live case that will be conducted during the summit.**

Together, we can build on last year's achievements and further shape the future of minimally invasive AF treatment.

Yours sincerely,

**Prof. Dr. med. Dr. h.c. Omer Dzemali**  
Head of Cardiac Surgery, Allianz Zürich  
Organizing Committee of the Second Zurich Minimally Invasive AF Summit  
Allianz Herzchirurgie Zürich

**Admission** Entry is free.

**Credits** 5 SGHC/SSCC, 5 SGK

**Language** Presentations will be conducted in English or German.

Please register by **January 9, 2026**  
via the [website](#) or the QR code provided.

Seats are limited. Participation will be confirmed in the order of registration.
